

Situation: You are a student that is an avid bass fisherman, invest time and money, and complete in tournaments to potentially earn prizes and cash awards.

Bass Angler SAE Scenario Entrepreneurship SAE

Step 1 Set Up the SAE- AET Profile

- Select Experience Manager and "Add New"
- Enter your SAE Name, select level of involvement, SAE type, interest area, other information and hit "Save"

Name: Bass Angler

Level: Individual

Type: Entrepreneurship

Area: Natural Resource

Step 2 Develop Your SAE Plan(Experience Manager)

- Use each "tab" and "help" text in the heading of each section
- Define Time that you potentially will invest, identify inventory you owned prior to Ag, estimated expense and income
- Identify Learning Outcomes that relate to your project:

In this SAE I hope to learn more about Bass Fishing and safe practices in competition tournaments. Some of the AFNR competencies I will learn about from this project are:

- NRS.02.01.01.b Demonstrate safety practices when working in an outdoor environment
- NRS.02.04.01.a Identify the different kind of streams

Step 3 Enter Beginning Values

- Choose FINANCE section of AET and "Beginning Items"
- Current Items- pre-entered tournaments, fuel or other supplies
- Non-Current Items- fish tackle(lures, reels & rods) or boat
- Liabilities- loan on boat or other items
- Cash on Hand- cash value prior to 1st day of Ag

On 9/1/17 – 2 hours
researching weather patterns
for upcoming fishing trip
On 9/15/17 – 6 hours, fishing
tournament, 3rd place overall

Step 4 Record Your SAE Time- SAE JOURNAL

- Choose JOURNAL section of AET
- Record a related date, select your SAE, related activity, and a description
- Each time entry represents key learning experiences such as:
 - Time spent in researching lures, safety, weather report, etc
 - Time spent practicing and caring for equipment
 - Time in competitions and other related activities

Step 5 Record SAE Related Expenses

A. Cash SAE Expenses- funds used from your own money to support your SAE

- Choose FINANCE section of AET and Cash Entries and Cash Expenses
- Record a related date, choose vendor, choose SAE, and type of cash expense
- Likely types of expenses may include entry fees, supplies, and repairs

Cash Expenses

3/1/17– Texas Junior League
Fishing Tournament; \$100 entry

Non-Cash Expenses

9/10/16 – Labor exchange \$75
entry fee into Big Lake Tourney

- B. SAE Labor Exchange-** funds needed in your SAE but your work in exchange for the items
- Choose FINANCE tab, Non-Cash Entries and "SAE Labor Exchange"
 - Record a related date and choose your SAE for both sections
 - Choose the type of expense based on item; entry fees, supplies, and repairs

Step 6 Record SAE Related Income

- Choose FINANCE tab, "Cash Entries", and "Income"
- Record related date, vendor, your SAE and amount

Cash Income

10/1/17 – Cash/Market Sale, 1st place \$500 prize

Non-Cash Income

11/1/17 – Used at Home; 5 Bass for family consumption

Step 7 Record and Manage Non-Current Items

- Choose FINANCE tab and Non-Current Item Manager
- Click "Add New" to show purchase of long term/ large items
- Items like land purchased for fishing, rods and reels, and major supplies
- Click "Usage" to link the item to an SAE(s)

Step 8 Capture Photos of your SAE- Best Practice is using m.theaet.com to upload photos

- Desktop Version- Choose Portfolio on the far left side and select your SAE
- Add a caption and try to identify skills/responsibilities show in your photo

Step 9 Annual Review- Develop each year of your SAE records

- Choose "Experience Manager" in PROFILE
- Define the start of your project, skills/responsibilities and key outcomes for the year
- Have information flow from year to year showing growth

2017: I completed in five major bass fishing tournaments and plan to increase my entries this coming year. I have placed at four and hope to place higher as I gain experience. I also have invested in a new rod, which should improve my bass fishing experience

Step 10 Determine Project Status

- If your project is ongoing into next year, leave your project active or "on"
- If your project is complete, choose the power button and make the project inactive or "off"

Step 11 Key SAE Reports

- Choose "Single Experience SAE Report" to summarize this entire SAE
- Choose "Profit/Loss Statement Report" to view annual financial records
- Choose "Complete Record Book Report" to view the summary of all of entries made in your AET record book
