

# Survey of Education & Career Interest

**Purpose:** *This guide shares how teachers can review the results of the students' answers on their Education and Career Interest Survey*

## Step 1: How to Locate the REPORT

- ✓ Login to your AET account and choose the REPORTS tab
- ✓ Choose the Survey of Educational and Career Interest Survey icon

## Step 2: Reviewing the Data

- ✓ The data is broken up by each question asked
- ✓ You will see a percentage of what students gave what response, as well as how many students have not yet completed the question
- ✓ The Raw Data tab breaks down what each individual student answered
- ✓ Use the Student Finder at the top to filter results by grade, class or even choose an individual student
- ✓ You are able to Export this data to Excel or simply print from the screen you are on
- ✓ Assign for a grade to make sure students complete this in their PROFILE each year

Use the Student Finder (right) to select a Grade Level or other subgroup of students.
