

Texas Online Submission Guide for Award Applications

Purpose: *The purpose of this guide is to help Texas Teachers with submitting all of their award applications online through AET*

Students' Role

1. Have your students login and complete their record entries. Followed by reviewing the checklist to see what they have reading **NOT MET**
2. Your student must sign in as themselves to sign the student electronic signature portion and then enter one of their school administrator's email for their electronic signature
3. Have your student choose "Complete/Print Application" to generate a version number for their application. *(If Not Mets exists the button to generate will read DRAFT)*

Teachers' Role

1. To review your students' applications choose the REPORTS tab, Degree/Award Application Manger and use the filter at the top to view certain applications with a specific ending date.
2. If the student has generated a PDF you will see how many NOT METS the application has OR if they have not generated a PDF you will see nothing listed under the Last Saved Column:

Application	Delete	1/9/2020	Hanagriff, Roger	Texas State FFA Degree (Lonestar)	1029800	3/19/2020	5
Application	Delete	4/15/2020	Kirby, Vanessa	Texas State FFA Degree (Lonestar)			

3. Once a PDF appears under the Last Saved column with **0 NOT METS** that students' application is ready to be submitted
4. To begin submitting applications choose the "State Submission Lists and Feedback" button located above your Degree/Award application manager
5. Choose the Award Application Category that you are wanting to submit in; for example TX 2020 State Degree Check:
